

**...Each Person of God has His own personal properties**

*"It is Proper to the Father to beget the Son, and the Son to be begotten of the Father, and to the Holy Spirit to proceed from the Father to the Son, from all eternity."*

*(Q10, Westminster Larger Catechism)*

Through an understanding of God's Word, made clear to us by the Spirit, we are able to say what is true about the nature of God, but being finite, we are not able to fully explain the His infinite nature.

**Therefore,**

The right response toward God is faith and humble worship.

**YES – GOD IS SPIRIT, HE IS GREAT IN POWER AND KNOWLEDGE AND HE IS NOT RESTRAINED BY TIME. HE IS ONE GOD; FATHER SON AND HOLY SPIRIT. COMPLETE, PERFECT - YET ABLE TO BE KNOWN BY THOSE HE HAS CREATED**

**Therefore,**

Study God's word in order to come to know and enjoy God and put no false gods beside Him.

**WRITE OUT TODAY'S MEMORY VERSE (ROMANS 11:34-36)**

## **THE HOLY TRINITY**

**GOD IS SPIRIT. INFINITE, UNCHANGEABLE, ETERNAL.  
ONE GOD, FATHER, SON AND HOLY SPIRIT.**

# GOD, THE HOLY TRINITY

Isaiah 40:18-28

## GOD IS

Hebrews 11:6 tells us that nobody can come to God unless they believe that “He is”. As we have already said, the whole world knows that “God is” but they suppress this truth and remain in ignorance of all that God is.

## ☞ GOD IS...A SPIRIT

Jesus taught this truth to an ordinary woman (John 4:24).

1. What are some consequences of God being Spirit?

---

---

---

2. If then, He is Spirit, why does the bible often speak about God in physical terms, as having eyes, ears and hands?

---

---

---

---

**God is not *something*, He is *Someone*. (Ex 33:11; Jas 2:23).**

- God is Personal

## Therefore,

Since God is unseen, He cannot be known completely from what is seen. He must also be known through language (words) that we can understand.

## ☞ ...GOD IS VERY GREAT

- As far as space is concerned, God is everywhere (omnipresent. Jer 23:24)
- As far as time is concerned, He is eternal (Ps 90:2)
- As far as knowledge is concerned, He knows everything (omniscient. Ps 147:5)
- As far as power is concerned, He does whatever He chooses (omnipotent. Ps 115:3)

## ☞ ...GOD IS SELF EXISTENT

- He is not dependant on any created being
- He is the fountain of His own being and everything else
- Romans 11:34-36

3. What does this passage say about God regarding His Creation?

---

---

---

## ☞ ...GOD IS ONE GOD

This is one of the most basic teachings of the Word of God (Deut 6:4; 4:35)

## ☞ ...GOD IS THREE PERSONS

The Old Testament prepares us for the truth that there is more than one who is God. (Gen 1:26-27; Isa 6:8)

- The Father is God (Matt 6:9)
- The Son, Jesus, is God (John 1:1-3; 20:25)
- The Spirit is God (1 Cor 6:11; Rom 8:33)

Yet each Person is distinct (John 15:26; 16:13-15)
